

**Professional Profile**

**Thomas Huizenga, M.D.**

**MY PRACTICE:**

I strive to provide efficient and quality care to my patients just as I would expect for myself or a member of my family. I specialize in the field of Orthopedic Surgery. I treat a wide range of injuries to the musculoskeletal system, which includes the bones, joints, muscles, ligaments, and tendons, in either a non-surgical or surgical manner, resorting to surgery when all other treatment methods have been exhausted or ruled out. I focus on joint replacement of hip and knee.

**MY EDUCATION:**

I received my Medical Degree from the Medical College of Wisconsin. I completed my residency in orthopedics at St. Louis University in Missouri. I am board certified in orthopedic surgery.

**MY INTERESTS:**

I enjoy playing the piano and golfing.

**HOSPITAL AFFILIATIONS:**

Columbia St. Mary's Hospital and Orthopaedic Hospital of Wisconsin.
